## HOLIDAYS AND TOURS

## Welcome back to Namibia

At San Africa Holidays and Tours CC we look forward to welcoming you to our beautiful country, where the sun and our hospitality warm your heart and social distancing appears naturally in the wide open landscapes.

It is of course not business as usual, but Namibia is perfectly positioned to offer you a safe, exciting and soulful journey into solitude, fresh air and wide-open spaces.

**ALL YOU NEED FOR A SPLENDED HOLIDAY IN NAMIBIA IS A **NEGATIVE COVID-19 PCR TEST**, WHICH SHOULD NO BE OLDER THAN 72 HOURS UPON ARRIVAL. NO QURANTINE, NO FURTHER TESTING.**

### What do you need for your vacation in Namibia?

- On arrival in Namibia, all travellers must present a negative Covid-19 test (SARSCOV-2 PCR test) that is not older than 72 hours.
- Travellers have to provide a travel itinerary and a travel insurance that also covers Covid-19 related medical expenses. No quarantine, no further testing.
- In the unlikely event of falling ill with Covid-19 in Namibia, San Africa Holidays and Tours CC will provide a full medical support package: facilitation of transport and accommodation in a registered, private isolation and quarantine facility. The costs for these services must be covered by the guests or their insurance.

## Guest Arrival and Welcome at all accommodation establishments:

**We greet you with a warm smile and consider your health and safety a top priority.**

- Guests are required to use the provided hand sanitizer; hand washing facilities are also available.
- Guests' temperature is taken upon arrival and recorded.
- Our employees will be wearing face masks. We provide masks for guests who do not have a mask on their person.
- Interaction with guests is contactless and social distancing will be maintained.
- Guests are requested to complete a Medical and Travel Declaration upon arrival.

# Our Staff Members

- Our personnel have been fully vaccinated against Covid-19
- All our staff members have been educated on the improved Standard Operating Procedures and facts about Covid-19.
- All employees have their temperature monitored on a regular basis.
- All our guides are provided with face masks and gloves.
- Teams adhere to social distancing rules when in contact with other employees and guests.
- Employees regularly wash their hands and use hand sanitizer.

## Together we can make it

We worked very hard and are well prepared to ensure the safety of our guests. Experience the feeling of self-assurance and well-being radiating from our San Africa Holidays and Tours family.

**We are ready to welcome you  
and to introduce you to our fascinating Namibia**
